

PALREDDY SRAVAN KUMAR REDDY

India | sravankumar6653@gmail.com | LinkedIn | GitHub | Portfolio

PROFESSIONAL SUMMARY

Computer Science and Engineering student specializing in Artificial Intelligence and Machine Learning, with hands-on experience in C, C++, Java, JavaScript, Node.js, Express.js, RESTful APIs, SQL, and MySQL. Built academic and personal projects focused on backend development, AI-powered applications, and practical problem-solving. Strong foundation in software development, databases, Git, and GitHub, with a focus on building reliable and scalable solutions.

TECHNICAL SKILLS

Programming: C, C++, Java, JavaScript

Backend: Node.js, Express.js, RESTful APIs, API Development

Web: HTML, CSS

Databases: SQL, MySQL

AI/ML: Artificial Intelligence, Machine Learning, NLP, Large Language Models (LLMs)

Tools: Git, GitHub, Debugging

PROJECTS

CampusGPT – AI-Powered Student Assistant

AI-powered campus assistant designed to help students access information and interact with a centralized academic support system.

- Designed a student-focused assistant workflow for answering campus and academic queries.
- Developed and deployed the application as a web service, with emphasis on usability and practical student support.
- Project repository: GitHub | Live demo: campus-copilot-48sq.onrender.com

Smart Business Management Analysis

Business-focused project for organizing and analyzing operational information to support data-driven decision making.

- Worked on structured business data analysis and presented useful insights for management-oriented decisions.
- Focused on practical problem solving, data organization, and clear presentation of results.

Smart Study Assistant with AI Flashcards

Student productivity project focused on generating and organizing study material into reusable learning resources.

- Designed an AI-assisted learning workflow for creating concise study content and flashcard-style revision material.
- Focused on improving study organization, revision efficiency, and user accessibility.

EDUCATION

Veltech University

B.Tech – Computer Science and Engineering (Artificial Intelligence & Machine Learning)

Expected 2027

SS Junior College, Malakpet

Intermediate / Higher Secondary

66%

Sri Chaitanya Techno School, Kodad

Secondary School (10th Grade)

10/10
